EPA/Loss Scenario -- General Release

IN JUNE A GROUP OF TOBACCO GROWERS AND BUSINESSES FILED SUIT AGAINST THE E-P-A, ASKING THAT ITS REPORT ON ENVIRONMENTAL TOBACCO SMOKE BE DECLARED NULL AND VOID. THE EPA WAS CHARGED WITH MANIPULATING SCIENTIFIC DATA AND OVERSTEPPING ITS REGULATORY AUTHORITY. STEVE PARRISH IS SENIOR VICE PRESIDENT AND GENERAL COUNSEL OF PHILIP MORRIS U.S.A., A PLAINTIFF IN THE SUIT

"EPA ignored its own guidelines and manipulated data to get the conclusions that it wanted to get. That's wrong as a matter of law and as a matter of science."

ALTHOUGH A FEDERAL DISTRICT COURT RULED IN FAVOR OF THE EPA'S MOTION CLAIMING IMMUNITY FROM JUDICIAL REVIEW, THE PLAINTIFFS ARE CONSIDERING AN APPEAL. ATTORNEY ROBERT WEBER.

"The court's ruling is strictly technical in nature. If and when we can force EPA to face the merits of our case in court, we're confident that EPA's conduct will be exposed for what it is, predetermined EPA policy and not sound science."

I'M JAMES HILL.
